Research Interest

Uncovering Spin Transport Phenomena with Complex Magnetic Structures.

Employment History

- 2025.04 – present 📚 **Research Assistant.** The University of Tokyo.
2023.10 – 2024.01 📚 **Research Internship.** OMRON SINIC X Corp.

Education

- 2025.04 – present 📚 **Ph.D. in Physics**, The University of Tokyo, Tokyo, Japan.
2023.04 – 2025.03 📚 **M.Sc. in Chemistry**, Institute of Science Tokyo, Tokyo, Japan
2019.04 – 2023.03 📚 **B.Eng. in Chemistry**, Tokyo Institute of Technology, Tokyo, Japan

Experimental Skills

- Synthesis 📚 Inorganic Thin film (Sputtering), Inorganic/Organic Single Crystal Growth.
Measurement 📚 Transport, X-ray Diffraction, PPMS/MPMS.

Organizer

- 2024.08 📚 **Organizer of Seminar C**, 69th Condensed Matter Physics Summer School
